

MAKE YOUR MARK

SUSTAINABLE

TRADEMARK

In an effort to be more sustainable our bar team at Trademark, led by our Head Bartender Mariel Burns, has created an entire menu of drinks balanced using sustainably sourced alternatives to conventional lemon and lime juice. Some of these drinks are completely unique while others are variations on some of our favorite classics.

We will have a limited amount of cut lemon and lime wheels available on request but would like to encourage our guests to try one of our alternative tart modifiers if they desire an extra zip to their drink. Metal straws are available upon request.
